Experience

Siemens – Undergraduate Program

July 2023 – Dec 2023

Trainee

Baddi, HP

- Completed Siemens' **PLM training program** with hands-on exposure to **Teamcenter** and **ITK**.
- Automated **item and workflow creation** using ITK scripts, reducing manual effort by nearly **70%** (tasks cut from hours to **2–5 minutes**).
- Led a **5-member team project** on syllabus management using PLM tools, improving collaboration and reporting.

Skepsi

Sept 2024 – Nov 2024

Software Developer

Remote

- Developed and maintained a **scalable enterprise web application** using **.NET** and **C#**, enabling administrators to efficiently manage multi-entity bookings.
- Integrated **RESTful APIs** to ensure secure and reliable communication across services.
- Automated QA workflows with **Selenium scripts**, reducing testing effort by **80%** and accelerating release cycles.

Wipro

Dec 2024 – Present

Project Engineer

Hyderabad

- Customized and optimized **30+ Teamcenter workflows and modules** using ITK, improving collaboration and reducing delivery cycles.
- Owned functional and regression testing for the **Johnson Electric** engagement, designing and executing **100+ test cases**, enabling faster client-side validation.
- Drove **requirement analysis, workflow optimization, and Agile ceremonies** across sprint cycles, ensuring high-quality, on-time delivery.

Projects

SIPA Nutrition | *Next.js, TypeScript, Node.js, Tailwind CSS, MongoDB, Razorpay, Vercel* | sipanutrition.com

- Solo-designed and built a full-stack D2C e-commerce platform end-to-end, including product catalog, checkout flow, and admin/order management.
- Integrated Razorpay for secure payment processing and order fulfillment.
- Owned the complete lifecycle: architecture, frontend, backend, deployment, and production maintenance for a live commercial product.
- Grew to 1,600+ unique users and 1,900+ sessions organically via Instagram, Facebook, and Google channels.

Education

Chitkara University

2020-2024

Bachelor of Engineering in Computer Science (CGPA: 8.74 / 10.00)

Baddi, HP, India

Achievements

- Solved **450+ Data Structures & Algorithms problems**, strengthening problem-solving and coding proficiency.
- Achieved **Teamcenter Certified Professional - SABA (Siemens)**, validating expertise in PLM and ITK.
- Earned **Teamcenter X Associate Certification** from Xcelerator Academy (Siemens) for advanced PLM knowledge.
